#### Disclaimer

Payments to the Superior, Family, and District Courts

1. The subtotal includes the minimum payment due for the month. If you are on a current payment plan, the minimum amount due is your monthly payment. If you are not on a payment plan, the minimum amount is the total amount due on each case.

Restitution, if applicable, will be paid first. Each case includes a \$3.25 technology surcharge and a convenience (credit card) fee of 3.25% of the amount of the transaction.

2. If you do not appear in court, or if your payment is not received by the court on or before the due date on your payment plan, or if you allow someone to make a payment on your behalf and that payment is not received by the court, the court may issue a Bench Warrant for your arrest. If a Bench Warrant is issued and you are subsequently arrested, you will owe an additional \$125.00 warrant fee to the State of Rhode Island, and you may be adjudged in contempt and sentenced to imprisonment. The court may also intercept your tax refund, suspend your license and/or registration if applicable, and deny the renewal of your license and/or registration if applicable.

3. Any bench warrant(s) on your case(s) will remain active unless and until payment in full is posted to your case(s), which will occur on the following business day after payment is made. It is your responsibility to ensure that your bench warrant(s) has been removed following payment; you should call the appropriate clerk's office to confirm the status of your warrant(s). The Judiciary shall not be liable for arrests made on outstanding warrants due to incorrect, illegal, incomplete, or unverified payments made through this online service.

Payments to the Rhode Island Traffic Tribunal

1. Payment prior to a court hearing – Under Rhode Island law, please be advised that by submitting payment online you are voluntarily entering a plea of GUILTY and admitting to the facts substantiating the violation(s) with the full understanding of the nature of the charges and consequences for pleading guilty. Furthermore, by submitting payment online, you are WAIVING your right to a trial or any other hearing by the Rhode Island Traffic Tribunal as to the violation(s) for which payment is submitted.

The subtotal includes the violation fine amount, a \$3.25 technology surcharge, a \$1.00 emergency medical services fee if your violation is under Title 31, Motor and Other Vehicles, and a convenience (credit card) fee of 3.25% of the amount of the transaction, which includes the fine amount, technology surcharge, and emergency medical services fee, if applicable.

2. Payment after a court hearing – If you do not appear in court or if your payment is not received by the court on or before the due date on your payment plan or if you allow someone to make a payment on your behalf and that payment is not received by the court, the court may suspend your license and/or registration, intercept your tax refund, deny the renewal of your license and/or registration, and/or issue a civil body attachment in the manner set forth in G.L. 1956 § 8-8.2-3 until the balance is paid in full.

The subtotal includes the minimum payment due for the month. If you are on a current payment plan, the minimum amount due is your monthly payment. If you are not on a payment plan, the minimum amount is the total amount due on your summons.

3. Any body attachment and/or pending license or registration suspension on your case(s) will remain active unless and until payment in full is posted to your case(s), which will occur on the following business day after payment is made. You may also have a court ordered suspension on your case. Payment in full will not negate any court ordered suspension.

If a license or registration suspension has gone into effect on your case(s), the suspension will remain active unless and until payment in full is posted to your case(s), which will occur on the following business day after payment is made, AND you reinstate your license or privilege to operate at the Division of Motor Vehicles.
